FEZA comes to the forefront with its designs based on the theme of freedom.

Design philosophy is beyond memorization, out of the ordinary, the relationship between human and design is not as it is, but with its story, form and material, it is to produce products that contain difference and customisation.

Beyond being a chair products, lighting element or accessory, you feel that these designs beyond furniture belong only to you with their story.

SEATING FURNITURES

FEZA Δ

A'DESIGN AWARD
& COMPETITION

The boomerang sports tool completes its gliding in the air in line with the force you apply and returns to you at every turn. Designed with this feeling, the BOOMERANG chair creates a feeling of floating in the air with its transparent seating area and massive arms and massive legs created with the unique curves of the boomerang.

Measurements: 49 x 51.2 x 78 cm

BOOMERANG

FEZA

FLY, which is designed based on the theme of flying is freedom, shows up with a design that frame breaking . While lifting the massive body from the ground thanks to its transparent feet, it feels like it remains in the air. Sometimes your cat can use the leather newspaper under the seat as a bed.

Measurements: 55 x 55 x 90.5 cm

FLY

FEZΔ

Designed based on the dynamic structure of the sled, the SLED seat refers to the gliding of the sled on the snow, especially with its transparent leg and back.

Measurements: 43 x 65 x 83.5 cm

SLED

FEZA

Designed inspired by the full moon, which is one of the phases of the moon, the MOON pouffs represent both sides of the moon with transparent and massive material options used on their backs.

Measurements: 48.8 x 55 x 79.5 cm

MOON

Flying saucers, which we often see in science fiction movies, attract our attention although they are not real. ROUND pouff is also inspired by the flying saucer with its airborne air with its form and its transparent elliptical feet. It can be used separately or as a leg extension in front of the SLED seat.

Measurements: Ø 60 cm x 46 cm

FEZΔ

With the softness of velvet and the dynamic appearance of its circular form, the little girl of the house : the DAUGHTER armchair provides use at every point with its minimal dimensions.

Measurements: Ø 70 x 74.5 cm

DAUGHTER

Inspired by the flexibility of caterpillars; the BRUCO pouffes, which do not have a fixed shape, adapt to the area of use and can be decided by the user with the magnet in their body, have emerged as a very flexible design.

Bruco: Ø 60 x 42 cm

FEZΔ

In the movies and more importantly in our house, a new breath and a modern approach to the father seats shows itself with the FATHER wing chair. While creating an unusual seat form with its transparent side surfaces, the leather belts on the back, in addition to the design it adds to the seat, with its newspaper and magazine holder function, allow you to enjoy your reading without disturbing your comfort.

Measurements: 64 x 70 x 82 cm

FATHER

FEZA

Shaped with amorphous lines arising from the rise and flow of the sea wave, the WAVE Sofa expands the sitting area by combining with the ELIPS pouff, which gives the feeling of a stone thrown into the wave.

Measurements: 73 x 228 x 82 cm

ELIPS pouff can be used in different positions, like a stone sliding in waves, in relation to the WAVE sofa. Either as a pouff-coffee table in the middle in the room or like a puzzle, WAVE adheres to the sofa and allowing you to lie down while watching the movie or the match.

Measurements: 60 x 113 x 42 cm

WAVE SOFA

Lines on the tree trunk discover its age. YEARS wing chair is a design in which the line forms both the skeleton and the arms, based on the past and future years and the pattern.

Measurements: 73 x 74 x 86 cm

7HILL pouffe design, created based on the 7 hills of Istanbul, is reminiscent of a hill in its entirety.

Measurements: 40 x 40 cm

FEZA

REST daybed, which has a peaceful design, allows you to lie down and spend time at any time of the day. The design inspired by the flying carpet makes you feel on the flying carpet, not on an ordinary daybed.

Measurements: 85 x 197 x 82 cm

REST

FEZΔ

WAIT bench , which is inspired by the flying carpet, allows you to perform your waiting action on a flying carpet while detaching its massive body from the ground with the help of its curved transparent legs, which are also used as a coffee table.

Measurements: 50 x 210 x 40 cm

WAIT

FEZΔ

A comfortable pouf where we sit, put our bags, and wear our shoes is one of the most important needs at the entrance of our houses. WELCOME pouf serves you warmth at your home entrance and exit with its massive table, witty wooden legs, each of which is different from each other, and the flooring of the pouf section.

Measurements: 50 x 140 x 50 cm

WELCOME

Whether large or small, minimal furniture makes life easier for the user in any place. BACK pouff is a minimal pouff design that is designed based on this need and creates comfort with its back.

Measurements: 50 x 50 x 75 cm

TABLES & COFFEE TABLES

FEZΔ

It is a design inspired by the elliptical form to keep the people sitting around more dynamic and to include people sitting around. The ELLIPSE table comes out with the pure of the materials used in its tables, slabs and legs.

Measurements: 115 x 279.8 x 72 cm

ELLIPSE TABLE

FEZΔ

Designed in contrast to the idea of completing the same materials and combinations with everything in the whole, the BITE coffee table shows that the area that is lost with a bite to the whole can be combined with a different material and retain its integrity.

Measurements: 57 x 141 x 30 cm

BITE

FEZΔ

The idea of capturing the harmony in the disharmony reveals the CLEAR coffee table, which is formed by the combination of the permeable top with amorphous lines and the legs that have sharp lines and are massive.

Measurements: 76.5 x 109 x 49 cm

CLEAR

A design that shows up with the use of unusual materials in the center tables, CUBE coffee table. It brings simplicity and lightness to the space where it is used with solid and transparent materials in its design and different rectangular and square forms. The inside of the cube-shaped transparent feet can be used as a display area according to the user's area of interest, so the design can be customization.

Measurements: 76 x 110 x 31 cm

If we consider its installation, it is not difficult to understand where its name comes from. While everything is so hard, we need to create some beautiful moments with our own hands. The SIMPLE Coffee Table, which can be installed in three moves, is a design that makes life easier.

Measurements: Ø 50 cm x 62 cm

While the beads on the abacus are symbolized by transparent balls, the ABACUS coffee table puts the ultimate in design with the table it carries.

Measurements: Ø 60 cm x 40 cm

FEZΔ

Designed with inspiration from the linear and clear lines of the arrows, the ARROW coffee table family is designed to create a combination with different sizes and details.

Measurements: Ø 55 x 57.5 cm

Measurements: Ø 45 x 48.5 cm

ARROW

Labyrinths are known for the excitement rather than the desired result. Designed based on this excitement, LAB emphasizes the labyrinth perception in both areas by projecting the labyrinth on the coffee table as the area in contact with the floor.

Measurements: 60 x 60 x 60 cm

In nature, there are congenital designers, the most notable of which is undoubtedly spiders. The WEB Coffee Table is inspired by the spider's creation of its nest and trap with an inconceivable design, and came out with reflection.

Measurements: Ø 60 x 60 cm

FEZA

The coffee table-magazine holder designed based on prosthetic legs, shows that they can stand together as a result of the prosthetic leg and the leg supporting each other. Supporting the statement that unity is strength, the LEG coffee table draws attention with its simple assembly.

Measurements: 32 x 40 x 45 cm

LEG

The positive effect of the warmth of the wood on the space is undeniable. The THREE center table shows the warmth of wood in a modern language with its assertive veins created by bleached oak veneer, triangular form and black forehead accompanying the black wooden legs.

Measurements: (85 x 90 x 102 cm) x 43 cm

Whether large or small, minimal furniture makes life easier for the user in any place. ROUND design consists of a round oak veneer coffee table in 2 different sizes designed based on this need.

Measurements: Ø 37 x 36 cm
Measurements: Ø 52 x 46 cm

BOOKSHELVES & DRESSERS

FEZA

WAVESHELF library, which has a different appearance from every angle with the intersection of different amorphous forms on the vertical and horizontal, softens the hardness of the rectangular form of the books it displays. The library, which can be produced in different sizes, offers a naive appearance with the thinness of the shelves and the system of interlocking vertical and horizontal elements.

Measurements: 48 x 249 x 236.5 cm

WAVESHELF

FEZΔ

Designed based on the idea of using different materials and functions together, the MIXED sideboard fulfills the storage function as a mission and also serves the purpose of necessary lighting.

Measurements: 35 x 184 x 67 cm

MIXED

FEZA

The bowls that sometimes cause us to feel our past and feelings that warm us are indispensable for every home. The transparent feet of the massive hemispheres that give the impression of a bowl on the table of the BOWL sideboard, embodied in a bowl story, give the appearance of disconnecting from the floor.

Measurements: 45 x 110 x 85 cm

BOWL

FEZΔ

Winking at the cubism, looking behind the surfaces of the design, it emphasizes the object with geometric lines from different aspects at the same time. Complementing each other and being perceived in the third dimension shapes the CUBIC sideboard.

Measurements: 30 x 81 x 89 cm

CUBIC

BELT sideboard, which is designed based on opening and closing of the belt and if need be tightening them, breaks off the belt from the floor with its transparent legs and lifts it to the point where it should be.

Measurements: 36 x 87 x 84 cm

The design takes its name from Tubism, which is created by the painter Fernand Léger, who put forward cubism in different forms with his unique interpretation. The TUBIC sideboard shows up as a sculptural design while creating surprise in angle joints.

Measurements: 43 x 117.5 x 90 cm

Sideboards are furniture that especially welcomes us at the entrances and answers the purpose. Generally, when using upper benches, the need for storage occurs over time. While DEPOT sideboard, you can meet all these needs with its soft-edged drawers and round legs, it also provides a cute welcome.

Measurements: 50 x 165 x 90 cm

While the STRIP 1 console meets the storage needs, it also adds elegance to the space with its elegant joints and stainless rod legs accompanying its soft corners.

Measurements: 36 x 100 x 80 cm

STRIP2 dresser shows up with its unique style with its elegant and assertive joints, handles and metal legs on the front to add a different atmosphere to the bedroom.

Measurements: 50 x 165 x 90 cm

FEZΔ

It is an undeniable fact that purity and elegance make our lives more enjoyable. THIN sideboard shows up as an elegant design with its line and materials as well as its minimal dimensions and simplicity.

Measurements: 35 x 110 x 95 cm

THIN

FEZA

It is a design that emerged from the need to fulfill different functions in spaces with small square meters. While MULTI modules are positioned side by side in the space and used as a coffee table (it also has a module used as a tray) when it is necessary, when you want to empty the middle area of the hall and organize a party, or etc., it can be stacked on top of each other and used as a library, and thanks to its rotating feature, it allows access to books from both sides.

Measurements: Ø 60 x 39 cm

MULTI

LIGHTING & ACCESSORIES

DROP lighting, inspired by the water circles that we need most, with the lighting in its center tries to emphasize how valuable each waterdrop is. The design, which appears as a lampshade as well as pendant lamps, also allows you to charge your phone.

Measurements: Ø 40 cm , Ø 36,2 cm

The relationship between mother and child is without dispute one of the strongest connections. This connection spreads positive energy not only to each other but also to its surroundings. This energy is shaped as light in the LINE lampshade.

Measurements: 11.5 x 35 x 22 cm

FEZΔ

QUEEN, which is a floor lamp design with an elegant body with its cubic form, makes a difference to the space it is located in with its light spreading around between the plexi bars almost like a queen.

Measurements: 30 x 30 x 157cm

QUEEN

CACTUS lighting designed with its form and upright stance, inspired by the cactus, which is one of the most assertive of plants, fulfills the function of a floor lamp with the lighting it provides in the space. While providing indirect illumination with a patterned surface resembling cactus texture, a stylized leaf form and a LED light source placed in a permeable box behind it, it is also provided to keep the cactus in the air.

Measurements: 40 x 144 cm

The design, which combines wave-form wood and mirror, acts as a floor lamp with led lighting rising from the bottom up between the surfaces. WAVELIGHT floor lamp gives pleasure to its environment as a decorative object when the space does not need lighting and can be moved easily thanks to the wheels under it.

Measurements: 30 x 40 x 162 cm

Having a fluid form, FLUID design rakes together wood, mirror and wall lamp. The design is shaped by the fact that a mirror flowing downward in the fluidity of the water stays almost instantly with the attachment to the wall lamp.

Measurements: 92 x 87 cm
